FROM

The Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To

The Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore.

SIR,

I have the honor to state that the transfer of Mr.B.Nanjappa from Bangalore, ordered in Notification No.L.7131-Med.2-22-22, dated 20th April 1923, renders the early appointment of a substitute as Lecturer in Medicine in the Medical School necessary, to continue the clinical lectures in medicine, even in the vacation, to students of the present third year class.

Mr. C.Narayana Rao, who is ordered to succeed Mr.Nanjappa as Resident Medical Officer, is a comparatively junior officer and, moreover, he will be fully occupied in acquainting himself with and performing the administrative duties of the Victoria Hospital and developping his surgical capacity and can hardly be expected to find the time necessary for study and preparation to lecture in such an important subject as medicine, which calls for as much study and preparation on the part of the lecturer as on the students themselves.

Among the officers now working in Bangalore the only one who could find the required time and possesses the necessary aptitude for study and preparation is Mr.G.S.David, Superintendent, Medical Stores. My experience of this officer goes to show that in the short time he had been in charge of the Lunatic Asylum, he applied himself to the study of mental diseases, a subject t

which he was quite new by getting standard books thereon at his own cost and introduced several useful reforms and changes in -- the methods of treatment and in the administration of the institution. I therefore recommend his appointment as Physician to the Victoria Hospital and Lecturer in Medicine (as was ordered in the case of Mr. S.C.Asirvathum, vide C.O.No. Ms 745-6-Med 15-20-4874-8.1920) in addition to his duties as Superintendent, Medical Stores. He will look after the medical wards of the Hospital and give clinical and theoretical lectures in medicine in the mornings and evenings and attend to the Medical Stores work during the usual office hours. This is the only possible arrangement that is best under the present circumstances, till the return of Mr.C. Krishnaswami Rao from England, when he will take up the duties of Physician and Lecturer in Medicine.

Mr.David's work as Lecturer in Materia Medica for the current year ceased with the month of March 1923. On his assuming the duties of Lecturer in Medicine, if sanctioned, I propose that he should also cease to be Medical Officer, Central Jail, which duties may be given to the Assistant Surgeon Mr.S.Krishnamurthi, who stands transferred to the Victoria Hospital, for Post Graduate course.

Again, the several appointments and reappointments to the Tutorial Staff of the Medical School, ordered in G.O.No.L.7034-6-Edn.9-21-18, dated 29th June 1922 and in subsequent Orders quoted in the Margin, will cease at the end of the current official year. I therefore recommend the appointments to the staff for the next official year as shown in the accompanying statement, which may also be kindly ordered. The appointment of Mr.C.Narayana Rao as Lecturer in Materia Medica is an arrangement which was sanctioned in G.O. Ms.G. 1436-7/Med 101-17-8 dated 20 - 7 - 918, when the school was first started. Mr.N.V,Ramaswamy, now temporarily holding the charge of the Tiptur L.B.Dispensary will revert to the Victoria Hospital and may be appointed Demonstrator in Physiology from 1st July 1923 in place of Mr.C.Narayana Rao. I request the favor of very early orders, as some of the changes have to be effected immediately.

Dear Sir,

In connection with the proposals submitted to Government with my letter No. Confidential, 8 dated 24th April 1923 suggesting appointments to the Tutorial Staff of the Medical School, kindly permit me to suggest a slight modification, viz. Mr. L. Padke to be Demonstrator in Physiology; and Mr. H. V. Ramaswamy Demonstrator in Anatomy.

This will suit the aptitude of the young men better.

Kindly have orders issued as early as possible since the clinics in medicine have to be continued by Mr. Nanjappa's successor at once.

Yours sincerely,

Dear Sir,

Referring to your DO no L 7460 Med. 12-22- I have to state that a Combination of the three appointments mentioned entails very heavy work on the officer, as he shall have to work in the Hospital from 7.30 to 11.30 am, next in the Medical Stores from 12-5 pm. besides giving clinical lectures daily in the morning and three ~~systematic~~

lectures in systematic Medicine from 4 to 5 pm on three days in the week.

I do not know much about the Capabilities of Dr. David, as we have not worked together at any time. Dr. Mylvaganam is a better judge of his capacity than myself; and if he has recommended Dr. David for the

Combination of appointments as stated in your do I have nothing to say against the same.

ir Sir,

With reference to your D.O.letter No. .7006 dated 22nd May 1923, I beg to state t the only other arrangement possible ier the circumstances is to continue r.S.S.David as Lecturer in Materia Medica nd have Mr.C.Narayana Rao, Resident Medi- l Officer, Victoria Hospital, as Lecturer edicine, like his predecessor Mr.B.Man- pa. He is the next senior officer, at gent, in Victoria Hospital, as Mr.S.Vara- engar is teaching Pathology and has boratory work in addition.

there is no necessity for a revised list. Anyhow, I have enclosed one.

Office of the Senior Surgeon, Mysore Govt.

Dated Bangalore, 7th June 1923.

No.Cfl.8-5.

Dear Sir,

In reply to your D.O.letter No.L.7882 of date, I find that Dr. Mylvaganam's D.O. letter No.Cfl.8-1, dated 30th April 1923, suggesting a modification in the proposals made by him in his official letter No.Cfl.8, dated 24th idem, was lost sight of in preparing the revised list enclosed with my letter No.Cfl.8-3, dated 4th instant.

Inhis D.O. of the 30th April 1923, Dr.Mylvaganam has proposed that Mr.L.V.Phadke,M.B.,B.S., who was Demonstrator in Anatomy till now, may be appointed as Demonstrator in Physiology for the next year, Mr.H.V.Ramaswami, a fresh Medical Graduate being made Demonstrator in Anatomy. I am not in favor of it. By this change we would be practically ~~xxxxxxxx xxxx~~ depriving the School of the experience which Mr.Phadke has gained as Demonstrator in Anatomy till now, and placing it at the disadvantage consequent on the necesxity for two Demonstrators having to prepare to teach subjects new to them. I would therefore suggest that Mr.Phadke be continued as Demonstrator in Anatomy as shown in my revised list. For the Demonstratorship in Physiology, I would prefer an arrangement similar to the one suggested ~~by~~ in para 2 of Dr. T.V.Arumugum Mudaliar for reasons stated in his letter No. G.C.47, dated 2nd August 1918, and sanctioned in G.O.No.G.3448-9 Med.101-17-10, dated 15th August 1918. Mr. N.S.Nanjundiah, who is a senior officer, would do better as Demonstrator in Physiology, as he could more conveniently follow the programme of the ~~Chief~~ Mr.B.K.Narayana Rao, Lecturer in Physiology, who is his immediate official superior. Mr. N.S.Nanjundiah's name may therefore be kindly substituted for that of Mr.H.V.Ramaswami in the revised list submitted by me and final orders kindly issued at an early date.
